Members' Representations

Sri Mulka GOVINDA REDDY (Chitaldrug).—I would like to bring to the notice of the House as well as the Chief Minister that high dignitaries like Marshall Bulganin and Khrushchev of Russia have already arrived in Delhi and when they come to Bangalore, it is our duty that in all fairness they must be given an opportunity to address the Members of this House as well as the Members of the Legislative Council.

Sri K. HANUMANTHAIYA (Chief Minister).—This is not a matter which we can discuss here and especially when it relates to the honour of foreign guests. I think it will not be proper for us to discuss the pros and cons of it and if my Hon'ble friends have got any suggestions, they can talk them over with me.

Mr. SPEAKER.—It is a very important matter and it is not proper to discuss it here.

Sri Mulka GOVINDA REDDY.—Many a time dignitaries come here and the Members of the Legislature are not invited. I would like to bring to the notice of the Chief Minister that it is not proper and fair.

Mr. SPEAKER.—That is not a matter before the House.
